**NAVISTAR DEMONSTRATION
SATURDAY - APRIL 21, 2012 - TORONTO**

As many of you already know, in July 2011 Navistar officially notified its employees of the closure of the Chatham facility. Navistar has refused to bargain a fair Closure Agreement.

The CAW will be holding a demonstration to bring attention to this matter.

We have selected the National Truck Show in Toronto that is being sponsored by Navistar, as the place for our mass demonstration.

On Saturday, April 21st there will be buses, supplied by the CAW, leaving Tilbury at 7:45 a.m. from Local 1941 and Chatham at 8:00 a.m. from Local 127.

Following our rally at the National Truck Show, at least one bus will be heading to Queen's Park for a rally sponsored by the Ontario Federation of Labour which will commence at 3:00 p.m.

We are encouraging all our CAW members, their friends, and their families to come out and support the Navistar workers.

Since we will be supplying buses and food, it is very important that everyone who signs up... actually shows up. We want the buses full!
